

# **Solidarity Rally**

## **Jan. 2 at 4 p.m.**

### **Seattle Union Hall - 9135 15th Pl. S.**

**We need every member to STAND WITH US in solidarity, and just say NO to this takeaway offer.**

**We are under a great deal of pressure to give up our pension, pay dramatically more in health care costs, and stagnate wage growth so we have less take-home pay going forward. We are asked to accept less when Boeing has record profits, record backlogs and approved a \$10 billion stock buy back.**

**Grocery workers stood together and received a contract with NO CONCESSIONS while preserving their pension. WHY SHOULD WE ACCEPT LESS?**

**LET'S SHOW SEATTLE WHAT SOLIDARITY LOOKS LIKE!**  
**Bring your signs! Wear your Union attire!**

***Machinists stand ready to build the 777X. We are the key to a successful 777X future. Rejecting this concessionary offer, does not diminish ALL the advantages of building the plane here.***

***Our current wages and benefits are less than 5 percent of airplane costs without these concessions.***

***VOTE NO and tell Boeing to focus on building the 777X here because analysts, customers and shareholders agree - that is the right choice!***
